No. JPD/Sr.AO(H.Q.)/F. /D. 779

Jaipur, dated: 23.7.07

CIRCULAR

The Chief Engineer(Commercial), Jaipur Discom, Jaipur vide order No.JPD/CE(C)/XEN/C.1/F.4(210)(Pt.vi)/D.1250 (JPR-5/404) dated 9.7.2007 has prescribed that whenever an existing consumer having supply on 11 KV request for extension in contract demand in such a manner that extended contract demand exceeds 1500 KVA but the consumer opts for supply to be continued on 11 KV instead of 33 KV, the consumer is required to be billed Transformation losses @ 3% of the recorded consumption, on proportionate basis, prescribed therein. Similarly vide Order No.JPD/CE(C)/XEN/C.1/F.4(226)/Pr.IV/D.1255(JPR-5-405) dated 10.7.07 it has been prescribed that when a consumer having contract demand below 1500 KVA, and is entitled to take supply on 11 kv, but whose connection is released on 33 KV, as per consumers request, prescribed voltage rebate @ 0.75% would not be allowed, in such cases.

To implement the above, a new input proforma (MF-2F) is being prescribed, as per format enclosed. The unit officers are advised to fill such proforma and send the same to the computer agencies for billing the consumers, accordingly. After receipt of the above input from the Sub-division, the Computer agencies will calculate transformation losses on proportionate basis and arrived consumption to be billed in view of Commercial Order No.JPR 5/404 or not allow the voltage rebate in view of Commercial Order No.JPR-5/405, whichever is applicable.

Proforma (MF-2F) may further be utilized for informing supply voltage of consumers having supply on 11 KV and above and whose voltage of supply have not been/is not being intimated so far to the computer agencies for incorporating the same in the master data of the consumers concerned.
