ORDER

Various electronic meters have been found not displaying the reading parameters causing average billing as per Terms and Conditions of Supply besides consumer grievances. To know the number and type of electronic meters not displaying the reading, a new character code "A" is hereby prescribed with immediate effect to be recorded in the MRR A 10 by the Meter Readers and in MB-11 by the ledger keepers. Where spot billing is in existence the billing agency shall show the code in the spot bill. This code shall also be incorporated in all the output report of defective meters by all the computer agencies doing the billing work.
