Sub: Adjustment of minimum billing from the seasonal consumers.

Kindly refer order No.5/46 No.JP.D./ACE(C)/C.I/F.1(7)/Pt.II/D.1641 dt.Oct.27.01 effective from 1.4.01 vide which provision of minimum billing in respect of seasonal consumers has been modified and now minimum billing is recoverable in a season of 8 months. Earlier as per the tariff revised w.e.f. 1.4.01 computer agencies have recovered minimum billing on monthly basis as per prevailing provision of tariff and the details of difference between minimum billing and actual consumption was not stored, therefore the debit/ credit of those consumers whose season have already been completed before issue of above amendment would not be possible for the computer agencies.

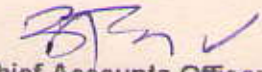

It is, therefore, advised that adjustment of minimum billing of all such consumers, if any as per above amendment, is to be carried out at Sub-div. level by sending advice CB-4.
