Sub : Billing of MIP consumers.

Dear Sir,

In pursuance of order No.JP.Discom/ACE(c)/C-I/PT.119/D.634 dt.13.5.02 (Comml.JPR 5-70) , a copy of which has already been sent to you, following guidelines are issued for implementation of the order from the billing month of June,02 :-

1. An LT MIP consumer, if exceeds the maximum demand beyond 50 KVA, three times in a financial year, shall have to take supply on 11 KV/HT by installing his own transformer or Nigam's transformer on rent. The existing provisions of determination of contract demand/ billing demand, levy of transformer rent, 3% transformer losses shall become operative as are applicable on exceeding maximum demand more than 50 KVA in any month.
2. In accordance with para 4 of the order dt.13.5.02, the existing LT MIP consumer whose maximum demand has not exceeded 50 KVA, more than twice during the financial year 2001-02 could be reverted back to LT supply provision.
3. Any credit/debit in implementation of aforesaid circular in the billing months of April-May,02 would be sent by the unit officers through advice CB-4 to computer agency alongwith input data for month of June,02.
4. Other provision of above referred Comml. Circular would be applicable.

Yours faithfully,

(A.K.Jain)
