1. JVNL hereby invites Expression of interest (EOI) from the bidders for the work of survey, design, supply, erection, testing, commissioning & 10 years comprehensive operation & maintenance (O&M) of 17 Nos. 33/11 KV sub-stations & associated infrastructure in domain of Jaipur Discom on OPEX (BOOT) model.

2. The scope of work include-

- a. Design, engineering, procurement, factory testing, transportation, delivery, installation, pre-commissioning, commissioning and 10 year comprehensive operations and maintenance (O&M) of 17 Nos. 33/11 KV Sub-stations, associated 33 KV Overhead / under ground Line & associated infrastructure and handing over of the assets to Operation team after successful operation of 10 years as per technical requirements, final documentation, guidelines / codes and to the satisfaction of Engineer-in-Charge.
- b. GPS based survey, single line diagram on AutoCAD with mentioning GPS coordinates on political map, forest, railway, highway and river crossing survey, survey of UG facility, ROU/ROW Survey, Topographical Survey, Details En-route, Clearance from ground building, trees, Tower/Pole Spotting, etc.
- c. Civil works such as Control room, boundary walls, cable tranches and stone filling etc as required.
- d. Supply & installation of Poles, Lattice Tower, 33 KV UG lines and the 33kV Overhead line with Hardware like cross arm, insulator, Jumper, PG clamp, Heat shrinkable sleeve, Surge Arrestor, counters, barbed wire, Signage Board, Numbering, painting, Bracing, clamp and supply and installation of transformers, CT PT sets, breakers, isolators, arresters, MS rod earthing and GEL earthing etc.
- e. Design Engineering, Procurement Engineering, installation, testing & commissioning etc. for all above activities.
- f. The scope includes design, engineering, procurement, factory testing, transportation, delivery, preservation, installation, pre-commissioning,

commissioning and handing over of the assets to Operation team as per technical requirements, final documentation, guidelines / codes and to the satisfaction of Engineer-in-Charge.

- g. The subject work involves number of partial / complete shutdown of existing 33kV overhead lines/ underground lines. The shutdown management, arranging manpower/material/tools/tackles/resources to execute the job in minimum plant down time is the essence of the subject work.
- h. A fixed amount per month from the date of successful operation of 33/11 KV sub-station shall be paid upto 10 months.

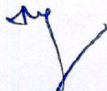

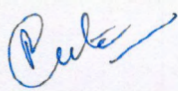

3. In view of the nature of scope, Companies possessing the following "Specific Pre-Qualification Criteria" should respond to this notice:

- **Experience Required:-**Bidders having good experience of successful completing various Electrical projects directly in Govt. organizations/ Power utility during last 5 (Five) preceding financial years of following activity.
- Supply, erection, testing, commissioning & operation & maintenance of 33/11 KV or above voltage class sub-stations and 33 KV or above voltage class lines.

The bidder must have experience of Supply, erection, testing, commissioning work executed (completed) of amount not less than 50% of the estimated project cost 5(five) preceding financial years and adequate experience of operation & maintenance 33/11 KV or above voltage class sub-stations should be at least 5 Years.

Bidder shall have Supply, erection, testing, commissioning & operation & maintenance of 33/11 KV or above voltage class sub-stations at least 15 Nos. in power utilities/ Govt. Departments executed during last five financial years.

- **Turnover Required:** –Minimum annual turnover shall not be less than 50% of value of estimated project cost in any one year out of last five financial years.
- The bidder should possess class "A/B" Electrical license issued by Electrical Inspectorate of any state Govt. or Central Govt. of India. If the bidder owns a license other than Rajasthan state, then he will have to obtain it within one month

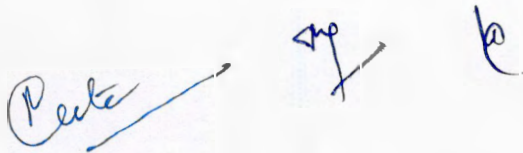

Latest financial statement should not be older than 12 months on the date of submission of response to Expression of interest.

Also, note

- I. Normally standalone financials of the bidding entity only will be considered. However, consolidated financials at the bidding entity level, if available, can also be submitted. Parent company or Affiliate's financials can be submitted and considered, subject to submission of Parent/ Affiliate company guarantee. This should be clearly mentioned in the EoI response.
- II. Where the bidding entity is unable to meet the Financial Evaluation Criteria, Parent/Holding Company Audited Financials can be considered, subject to:
 - a. Submission of Financial guarantee in the form of 10% Bank guarantee of contract value.
 - b. Commitment Letter from Parent/Company to provide financial support to the bidding entity.
- III. Evaluation will be done only based on the published annual reports / audited financials containing Auditor's report, Balance sheet, Profit & Loss a/c and Notes to Accounts.
- IV. In case of unaudited statements (if there are no audit requirements for auditing of financials as per the local law), the financials shall be accompanied by a certificate from a Certified Accountant. Certificate should also mention the fact that there is no requirement of audit of the financials as per the local law.

All qualifications and exceptions brought out in Auditor's report and Notes to Accounts would be factored in while undertaking financial evaluation

P. K. S.  *me*

from Electrical Inspectorate of Govt. of Rajasthan in case he is selected for award, failing which the contract awarded is likely to be cancelled. An undertaking to this effect is to be furnished alongwith bid on non judicial stamp paper of Rs.100.00
