“Letter of Intent” shall mean the customer’s letter conveying his acceptance of the tender subject to such reservations as may have been stated therein.

The “Contract Price shall mean the sum named in or calculated in accordance with the provisions of the contract purchase or any amendments thereto.

Formal work order shall mean the customer’s letter which may be issued in the way of letter of intent containing detailed terms and conditions of the work and such other particulars which the customer may like to convey to the contractor pending execution of a formal written agreement.

“Writing” shall include any manuscript type written or printed statement under or over signature or seal as the case may be.

The Work “Codes” shall mean the Indian Electricity Act/Electricity Supply act and Indian Electricity Rules and the rules made there under applicable in the State of Rajasthan on the date of letter of intent with such special modification thereof as may be specially stipulated by competent State Authorities i.e. Chief Electrical Inspector of Rajasthan.

Works importing “PERSON” shall include firms, Companies, Corporations and other bodies whether incorporated or not.

Words importing the singular only shall also include the plural and vice version where the context requires.

Terms and expressions not herein defined shall have the same meaning as one assigned to them in the Indian Contract Act (Act IX of 1872) and falling that in the General Clause Act, 1897).

## **2. CONTRACT:**

After the completion of bidding process JVVNL will issue Letter of Award to the successful bidder. A contract shall be entered into between JVVNL and the successful bidder.

## **3. CONTRACT VALUE:**

Contract Value shall be calculated on the basis of quoted price of entire project as quoted in the financial schedule and accepted by the DISCOM. TN-03

## **4. CONTRACT PERIOD:**

The contract period shall be initially for a period of 5 years from the date of award of contract. The contract period shall be extendable for further 2 years on mutually agreed conditions.

## **5. IMPLEMENTATION PERIOD:**

The implementation period of project shall be maximum 9 months for supply & installation of DT metering set and Data collection, generation of MIS reports shall start immediately after installation & commissioning of first 500 meters for AMR system.

**6. TERMINATION OF CONTRACT:**

**If the services of the contractor are not as per contract for consecutive three months excluding the implementation period, JVVNL reserves the right to terminate the contract.**

**7. FALL BACK ARRANGEMENT:**

In the event of failure of the Agency to fulfil its obligations, duties and responsibilities as per the agreement terms, JVVNL shall interalia have the right, at any time to resort to fall back arrangement. Under this plan, JVVNL shall take charge of all facilities and systems whether in operation or under execution after giving suitable notice as provided in the agreement and can recover from the security deposit the losses suffered due to such failure. If the security deposit is insufficient, the Agency shall pay the difference to JVVNL failing which JVVNL shall have right to recover the sum through legal or other means.

The JVVNL shall have the right in such circumstances to manage the system itself after taking charge of the facilities as above or through any other agency as it may deem fit and no claim of Agency for compensation in this respect shall be entered.

The JVVNL shall have the right in such circumstances to blacklist/barred/disqualify the agency from submission of Bid to the NIGAM at least for one year.

**8. HANDING OVER ON TERMINATION/ PROJECT COMPLITION:**

Following is to be handed over:

8.1. All infrastructure in working condition at Backup centre with the licenses of operating system and database if any, has to be handed over to the Discom.

8.2. All equipment's deployed by the vendor. 95% of the quantity of the transferred DT Meters should be in working condition.

**9. SECURITY BANK GUARANTEE / DEPOSIT :**

A Security Deposit/Guarantee equivalent to 2% (two percent) of annual contract value less amount of cash portion of earnest money deposited, within 15 days of receipt of work order, in cash or by crossed Bank Draft or by way of Bank Guarantee from any scheduled Bank in the prescribed proforma (In case, vendor furnishes the BG instead of cash deposit the amount of earnest money will be refunded) on a Rajasthan State Non judicial stamp paper of requisite amount duly authenticated by the issuing Banker.

This Bank Guarantee is to remain valid for a period of 12 months from the date of award of contract in the first instance and may have to be extended if desired. This bank guarantee shall be released after 3 months of successful commencement of information received from all circles.

**10. PERFORMANCE DEPOSIT/GUARANTEE:**

A performance deposit / Guarantee equivalent to 10 % of annual contract value shall be deposited by the successful bidder either in the form of Bank Guarantee from scheduled Bank on non-judicial stamp papers of appropriate value as intimated by JVVNL in the prescribed format, for satisfactory work performance within 15 days of receipt of the Detailed Purchase Order. The Bank Guarantee is to be remained valid for a period of 5 years from the date of commencement of contract and may have to be extended upto 2 yrs if the contract period is extended as mutually agreed.

The PBG shall be released after expiry of contract period and on the basis of system generated performance report by the SE (Commercial).

## **11. CONTRACTOR TO INFORM HIMSELF FULLY**

The Contract shall be considered to have come into force from the date of the issue of work award. The contractor shall be deemed to have carefully examined the General Conditions, specifications and schedules also to have satisfied himself as the nature and character of the work to be executed and where necessary, of the site conditions and other relevant matters and details. Any information thus had or otherwise obtained from the owner or the Engineer shall not be in any way relieve the contractor from his responsibility for the supplying of the hardware, software and other equipment and executing the work in terms of the contract including all details and incidental works and supply all accessories or apparatus which may not have been specifically mentioned in the contract but necessary for ensuring complete erection and safe and efficient working of the equipment if he has any doubt as to the meaning of any portion of the general and any special conditions of contract and specifications, he shall before offering his bid proposal, set-forth the particulars thereof and submit them to the Engineer in writing in order that such doubt, misunderstanding, misconceptions, whatsoever could be allied.

## **12. CONTRACT DOCUMENTS**

The order placed under this specification shall be governed by the terms and conditions as incorporated in this Specification and as given in the detailed work order and its annexure(s). The terms and conditions as specified in this section if differ from the terms indicated in the detailed work order and its annexure(s) the latter shall prevail. The contract shall for all purposes be construed according to the Laws of India and subject to jurisdiction of Rajasthan Courts at Jaipur only. For the due fulfilment of the contract, the contractor shall execute an agreement in the prescribed form on Rajasthan State Non-judicial stamp paper bearing stamp duty as applicable. The expenses of completing and stamping the contract agreement shall be borne by the Contractor. Such agreement shall be executed and signed by the competent authority of the contractor on each page thereof. The original copy is only to be executed on the stamp paper. The remaining two copies may be executed on simple paper. Such complete agreement form along with the contract documents together with a "Power of Attorney" in favour of the Executants shall be required to be returned to the owner within a period of 15 days from the receipt of order duly signed on each page. One copy of the executed agreement duly signed by the purchaser/owner shall be sent to the supplier for his reference. The contract documents shall mean and include the following:

- i. Contract agreement along with letter of Intent.
- ii. Work order and its Annexure.
- iii. Complete specifications and its amendments.
- iv. Bid proposal form and its schedules including price schedule and completion schedules.
- v. Power of Attorney in favor of the signatory.

The agreement shall set out specific events of default that will entitle the innocent party to terminate the agreement. The party committing an event of default, which is capable of being remedied, will be given a reasonable opportunity to remedy the default.

The agreement can however be otherwise terminated by either party by giving six-month notice and on terms to be mutually agreed which may include payment of suitable compensation for losses suffered by the other party due to such termination. These terms shall be included in the Contract Agreement.

Agency shall indemnify JVVNL against any claims, demands, costs and expenses whatsoever which may be made against it, because of failure of the Agency or its representatives in the performance of their duties and negligence, any accident or injury to any person

### **13. CHANGE OF QUANTITY**

The owner reserves the right to increase or decrease the quantities of items as specified in the accompanying technical specifications as may be necessary, at the time of award of contract or during the execution of the contract. Any item can be deleted in total, if not required during execution.

### **14. Grafts AND COMMISSIONS ETC.**

Any gift, commission, or advantage given, promised or offered by or on behalf of the contractor or his partner, agent, officers, director, employee or servant or any one on his or their behalf in relation to the obtaining or to the execution of this or any other contract with the owner, shall be, in addition to any criminal liability which it may incur, subject of any loss or damage to the owner resulting from any cancellation. The owner shall then be entitled to deduct the amount so payable from any moneys otherwise due to the contractor under the contract.

### **15. COMPLIANCE OF LABOUR LEGISLATION:**

The tenderer shall discharge its liability of employer/ contractor in respect of personnel to be engaged for service, as said out in EPF and MP Act, 1952 ESI Act, 1948 (in ESI implemented area), workmen's compensation act, 1923 (in non ESI implemented area) contract labour (R&A) Act, 1970, Payment of Wages Act, 1936, Minimum Wages Act, 1948 etc. The tenderer is required to get separate code under the provision of EPF and ESI Acts, if not already taken and deposit the employer's contribution along with employee subscription, as per rule and submit copy of challans at the time of claiming payment, failing which an amount equivalent to employer's contribution and employees subscription shall be deducted from his each bill and deposited with the concerned authorities. The tenderer shall be solely responsible for any consequences arising out of breach of any legislation.

### **16. SAFETY OF SYSTEM:**

The Agency shall be fully responsible for upkeep, operation, maintenance, security and safety of substation equipment's installed by the vendor.

### **17. INSURANCE:**

The agency at his cost shall arrange, secure and maintain all insurance (equipment's installed at substation by them & the manpower) as pertinent to the works and obligatory in terms of law to protect its interest and interest of JVVNL against all perils.

### **18. REMEDY ON AGENCY'S FAILURE TO INSURANCE:**

If the Agency fails to effect and keep in force insurance referred to in this document hereof or any other insurance which he may be required to effect under the terms of contract then the JVVNL may effect and keep in force any such insurance and pay such premium(s) as may be necessary for that purpose and from time to time deduct the amount so paid by the JVVNL as aforesaid from any money due or which may become due to the Agency or recover the same as debt from the Agency.

### **19. LIABILITY FOR ACCIDENTS AND DAMAGES:**

19.1. The Agency shall be liable for and shall indemnify the JVVNL in respect of all injury to person or damage to property resulting from the negligence of the Agency or his workman or from defective work but not from any other cause.

19.2. Provided that the Agency shall not be liable for any loss or profit or loss of Contract or any other claim

made against the JVVNL not already provided for in the contract, not for any injury or damage caused by or arising from the acts of the JVVNL or of any other person or due to circumstances over which the agency has no control, not shall his total liability for loss, damage or injury under this clause exceed the total value of the Contract.

- 19.3. The Agency will indemnify and save harmless the JVVNL against all actions, suits, claims, demands, costs, or expenses arising in connection with injuries (other than such as may be attributable to the JVVNL or his employees) suffered prior to the date when the work shall have been taken over hereof by persons employed by the agency on the work, whether at common law or under the workman's compensation Act-1923 or any other statute in force at the date of contract relating to the question of the liability of employees for injuries suffered by employees and will if called upon to do so take out the necessary policy or policies of insurances to over such indemnity.
- 19.4. The agency shall insure against such liabilities with an insurer approved by the Engineer and shall continue such insurance, during the whole of the time that any person(s) are employed by him on the works and shall when required produce to the Chief Engineer, Jaipur and concerned Superintending Engineer (O&M) such policy of insurance and the receipt for payment of the current premium.

## **20. MAINTENANCE OF FACILITIES AND PERSONNEL:**

The Agency shall maintain all requisite facilities of its own as required to carry out the work as per the specification.

- 20.1. The Agency shall provide and maintain a controlling office with requisite infrastructure at Jaipur with proper staff, & facilities shall remain open at all reasonable hours to receive communications.
- 20.2. The agency shall also maintain communication equipment's like telephone with fax, mobile phone, Internet etc. for interaction with JVVNL and others.
- 20.3. **PERSONNEL:** The Agency shall maintain supervisory and other personnel for efficient management of the work under contract. However this contract is on service model, agency shall be responsible for smooth & timely execution of work by appointing sufficient number of manpower.
- 20.3.1. Manager or an alternate shall be available for communication during all business hours.
- 20.3.2. Agency shall not change the Manager/nodal officer, frequently.
- 20.3.3. Agency shall immediately inform JVVNL about any change of personnel/contact numbers through Email/ post.
- 20.3.4. Agency shall issue identification cards to all its personnel engaged in the work under the contract. The identification card duly signed by Sr. Manager of the agency shall be consisting of Resume and photograph of the concerned personnel along with name and logo of the agency.

## **20.4. NODAL OFFICER FOR EXECUTION OF PROJECT:**

After award of contract to interact between the field offices and agency, JVVNL shall appoint a Nodal Officer if required. Similarly, the agency shall communicate the name of the authorized person(s) that would act as a Nodal Officer(s) from its side.

## **21. AGENCY'S RIGHTS:**

The agency will be given rights to operate in the area during the agreement period for carrying out the work, which shall cease to exist on completion of the said period or on termination of the contract.

The Agency's rights in the area will be as an agent of JVVNL to observe proper functioning of DT metering.
