e-PROCUREMENT TENDER NOTICE TN # 54

Jaipur Vidyut Vitran Nigam Limited (JVNL) is looking forward to implement "**Feeder Monitor System on Service Model**" a standalone system (Independent System) for automated Data Logging of various essential parameters of all the 11KV feeders at sub stations for monitoring, proper planning, decision support and taking corrective actions on the business activities in addition to transparently disseminating the power supply status.

In order to implement the Feeder Monitoring System, tenders are invited in two part i.e. Techno commercial & QR and Financial offers. In order to interact with the prospective bidders and to share the basic features of the tender an interactive pre bid conference is being organized before finalizing the specifications. The concept paper which includes Major Scope & Terms shall be discussed during the pre bid conference. All the interested bidders may attend the pre bid conference.

The various span of the tendering process will be as per the following schedule:

Nature of the Work	Install and Operate Feeder Monitor System on Service Model in JAIPUR DISCOM
Cost of Tender Document (non-refundable)	Rs. 5000/- (Rupees Five thousand Only)
