Clarification against TN 59

Following clarifications for the sake of convenience of prospective bidders in the said specifications is hereby issued against TN 59

1. **Software:** - Agency shall utilize the billing software under RAPDRP primarily. However, if the agency feels difficulties to utilize the billing software under RAPDRP, it can deploy its own software as per the functionalities given in the specifications, Free of Cost (No Additional cost over and above the ordered price).
2. **Manpower / Support:** The major scope of the persons deployed at each sub division shall be as under :
 - (i) Punching of all consumers meter reading irrespective of mode of billing. In case spot billing is not done, the reading of entire consumers shall be punched.
 - (ii) Punching of all other information required in the billing operation / revenue operations in the Sub Division offices.
 - (iii) To send all meter reading and other Data in the billing engine.
 - (iv) Generation and printing of bills and deliver to ARO for distribution.
3. The system shall be integrated with the RAPDRP software as per the specifications.
4. The bidders who have already submitted the bid on e-portal shall submit the extension of bank guarantee before deciding the Tender to meet the total requirement of validity laid down in the specifications.
5. The tender shall be opened on due date i.e. on 13.1.17.
