No. / JdVVNL/CAO(B&R)/S. Rev. / F. /2016-17/ D. 1600

Dt. 11/12/17

Office Order 284

It has been observed that initial bills of new AG Connections released are being issued with meter status 'N' where bill of Fixed Charges only is being issued or negligible units are punched in the system. Thereafter, the meter status is converted into 'D' and bill of units equivalent to AG (F) is being issued as per Comml.- 580 resulting in loss of units as well as assessment.

All AAO (Rev.) are directed to check the month wise details of bills issued to new AG connection released after 1st April, 2014, assess the units & amount less billed and ensure that the same (units as well as assessment) be get debited in the consumers account during their visit to Sub divisions.

It is also noticed that bills of negative amount of some consumers are being issued. Hence you are advised to check 'Output 36 A- Negative Outstanding' and find out the reason of this and necessary corrective action be ensured.

This work is to be completed within a week. Zonal Sr. AOs shall personally monitor the progress and furnish Sub-Division wise progress to CAO (B&R) in the enclosed format.
