NO.F.1 /JdVVNL/MD/CAO(B&R)/JU/2014-15/S.Rev./D...148

Dt.: 15/5/14

:: ORDER :: 54

As per decision taken by the DCF, 5% rebate is to be allowed through billing software to such consumers (excluding agriculture), whose meters remained stopped / defective for more than twelve months from the date of its detection. This rebate will be allowed w.e.f. the billing month May, 2014.

For implementation of above, following instructions are hereby conveyed for strict compliance by all concerned :-

1. The Chief Engineer (MM) and (O&M) will ensure that sufficient quantities of meters are arranged to the concerned officers responsible for replacement.
2. XENs, AENs, JENs and AROs will ensure that all the stopped / defective meters of the oldest period are replaced immediately.
3. Provisions to allow 5% rebate as above will be made by the agencies concerned immediately, taking into account the followings :-
 - A. The amount of rebate is computed on current Nigam dues only and the same is not computed on arrears and sundries.
 - B. Rebate allowed is classified initially under transaction code 48 and credited to consumer's account as realization through adjustment.
 - C. Amount is reflected in consumer's bill, ledger, MIS including JVs.
 - D. Information of rebate allowed is provided to all concerned.

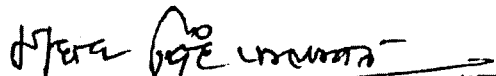

4. The Circle AOs will ensure that JVs of the rebate allowed is received from the agencies / unit officers with MIS 3.2 on regular basis and is adjusted in the books of accounts under account code 78.833.

This is subject to rectification by the Board of Directors.
