No. / JdVVNL/CAO (B&R)/S. Rev. / S. (Rev.) / D. 698 Dt. 27/7/17

ORDER 126

It has been observed that A-30 is not being submitted with the meter reading by the meter reader and meter readings are being accepted with meter status such as R- Meter round, N-Reading not Taken, T-Terminal seal broken, W-Display out, O-Obstacle, A-Area without supply, L- Premises found locked without getting it cross verified from the JEN as prescribed in Revenue Manual which results in generation of provisional bills due to which revenue loss is caused to Nigam.

As per clause No.13 of Chapter 'I' of Revenue Manual, the meter reader has to submit, Daily Progress report in form A-30 in respect of the meters actually read by him mentioning therein the meter found Burnt/stopped/defective/body seal broken or tempered, locked, meters not found at site and other short comings as may come to his notice including mal-practices or the cases of improper, unfair, unauthorized consumption, abstraction, use or drawl of electrical energy, to the Assistant Revenue Officer of the sub-division who will process all such reports and take appropriate measures under the provisions of General Conditions of Supply after getting the facts verified from the concerned Junior Engineers wherever required. Specially in case of premises found locked, the Assistant Revenue Officer has to ensure that a notice is served upon the consumer to make the meter accessible to take the readings of the meter and billing is made as per Clause 19(d)(ii) to(iv) of General Condition of supply.

It is, once again enjoined upon all the concerned to follow the aforesaid practice. Further, ARO's shall also ensure that reading of such consumers have been cross verified by Meter Inspector/JEN before acceptance so that bills may be generated with actual reading correctly and grievance of consumers may be minimized.
