ORDER 88

Sub: Responsibility and action for illegal transformer running in the Circle.

It is gathered that various illegal / unauthorized distribution transformers are running in field. As directed, the Superintending Engineers / Executive Engineers are responsible to collect the identified location of illegal / unauthorised transformers information feeder-wise from concerning Assistant Engineer / Junior Engineer / Feeder Incharge.

The Executive Engineers shall be responsible to ensure action for illegal / unauthorized transformers running in field area as per the provisions, with the help of APTPS / local police of their area. The Superintending Engineer would be overall Incharge for such action effectively in the area indentified in their circle and the Zonal Chief Engineer would monitor the progress, to ensure the compliance. If required, the Zonal Chief Engineer / Superintending Engineer shall camp at sub-division for one or two days in a week for proper monitoring and effective action respectively. Non-compliance of the aforesaid directions would be viewed adversely by the Management.

By order
