Dated 22/2/13

CLARIFICATION

The Co-ordination Committee in its 153rd meeting held on 16.12.11 had decided to relax the condition of depositing bond amount in such cases where an employee of any Power Sector Company of the state want to shift to another power sector company of the state provided his revised option has been accepted by the company. Since there was some fallacy regarding the term of acceptance of revised option by the company, the Co-ordination Committee has again considered the issue in its 160th meeting dated 20.11.12 and clarified as under:-

“that in case an employee leaves one Power Sector Company before completion of the Bond period on account of his/ her fresh selection and appointment given/ offered in another Power Sector company then in such a case, the employee concerned shall also be allowed exemption from depositing any amount under the bond and no recovery of any kind in this respect shall be made from him/ her. However, the requirement of executing fresh Bond where the employee is appointed will continue to be followed/ applicable.”

This is subject to ratification by the Board of Directors.
