Jaipur, Dt.:- 9/6/14

The Managing Director,
Jaipur / Ajmer / Jodhpur Discom,
Jaipur / Ajmer / Jodhpur.

**Sub:- Deputation to the other departments such as RIICO, JDA,
Housing Board & others.**

It has been observed that engineers on deputation to other departments try to continue to be on deputation even after 4 years and are involved in bringing undue pressure for extension of deputation which is not desirable. This is complete violation of ESR Regulation 57 (8). We have to keep uniform strict view in this regard and it is, therefore, directed that the maximum ceiling of 4 years deputation should invariably be complied with and no permission should be granted in violation of ESR.

In case the officers who have not reported back even after 4 years, they should be called back immediately and in their place some other officers should be deputed if there is a demand for deputation. The 4 years period would be defined as a continuance of deputation of 4 years or total period of 4 years served in different patches.
