ORDER

Sub.: Campaign for releasing pending connections in Urban area.

It has been observed that electricity connections of different categories are not being released timely in urban areas which not only cause revenue loss to the Nigam but also tarnish the image of Nigam.

In order to expedite release of connections of various categories in urban areas, it has been decided to launch a campaign during the period 14.05.2018 to 30.06.2018 for release of pending as well as newly applied connections of all categories in urban areas (Municipal areas).

During campaign it may be ensured that connections applied upto 25.06.2018 may be got released by 30.06.2018. Consolidated weekly information of category wise pending connections, connections applied and connections released along with pendency may be sent to SE (RA&C) on every Monday in enclosed format.

All concerned are directed to comply with the above instructions strictly.
