No.JdVVNL/MD/CE(C&P)/SE(RA&C)/JU/2008-09/D. 1966 Dt. 30.12.08

ORDER

Sub: Replacement of road light bare conductor in Municipal Towns by single phase AB cable to prevent theft of electricity by miscreants by hooking the bare conductor.

It has been reported that miscreants are indulged in theft of electricity in Municipal Towns by hooking road light bare conductors. Due to this, municipal authorities have to bear the burden of extra cost of energy so abstracted by miscreants, in addition to the actual road light consumption.

The matter was placed before the Co-ordination Committee in its 120th meeting held on 12.09.08. After detailed discussion the Co-ordination Committee decided as under:-

1. The bare conductor for Street Lighting be replaced by AB cable/insulated rabbit conductor.
50% of cost of AB cable and insulated Rabbit conductor shall be required to be deposited by the Municipal Authorities with the Discom.
2. No overhead charges shall be recovered from Municipal Authorities.
3. No credit of the material retrieved will be given by Discom to the Municipal Authorities.

It is, therefore, enjoined upon all the concerned officers to comply with these instructions.

By Order,
