

**JODHPUR VIDYUT VITRAN NIGAM LIMITED**

No.JdVVNL/MD/CE(C&amp;P)/SE(RA&amp;C)/JU/2008-09/D. 2000 Dt. 6.1.09

**ORDER**

**Sub: Regarding release of connections for "Petrol Pumps in rural areas" (both Abadi & Non-abadi areas) under Non-domestic (NDS) category.**

On the subject cited above, various orders have been issued in respect of release of connections to Petrol Pumps in rural area(s) vide orders No. Comml.JDP/406 dated 16.08.07 and Comml.JDP/410 dated 29.09.07.

Various queries/doubts have been raised by field officers. In order to allay all doubts so that the provisions are implemented uniformly through out the Nigam, following modified comprehensive instructions are issued:-

**URBAN AREA:**

Releasing Non-domestic connections for Petrol Pumps in Urban Area, procedure followed is similar to that of procedure for release of normal non-domestic connections, as provided in "Terms & Conditions for supply of Electricity-2004."

**RURAL AREA:****(A) Petrol Pump connection up to 5KW**

- (i) The connections upto 5KW load may be released by laying a single phase line and installing a single phase transformer sub-station.
- (ii) The total cost of the single phase line as well as single phase transformer is to be borne by the applicant/consumer.
- (iii) This amount deposited shall not be refunded.

**(B) Petrol Pump connections beyond 5KW(24 Hr. supply):**

For Petrol Pump connections beyond 5 KW load desiring 24 hours supply, the following procedure be followed:-

- (i) The connection is to be released from the dedicated 11KV feeder emanating from nearest 33/11KV S/S.
- (ii) The entire cost of line as well as 11/0.4KV transformer Sub-station is to be borne by the consumer.
- (iii) The metering is to be done on 11KV side.
- (iv) In exceptional cases, the metering on LT side may be allowed by the approval of Managing Director. In such cases 3%

transformation losses shall be added as per provisions of Tariff for supply of Electricity-2004.

- (v) The cost towards 11/0.4KV transformer S/S shall not be refunded.
- (C) **Petrol Pump connections beyond 5KW(Block hours supply):**  
For Petrol Pump connections beyond 5KW load & block hours supply, the following procedure be followed:-
- (i) The connection be released by extension of 11KV feeder line of existing mains & by installing exclusive transformer.
  - (ii) The total cost of line extension as well as 11/0.4KV transformer Sub-station is to be recovered from the consumer.
  - (iii) Since the transformer Sub-station shall exclusively be provided for the consumer, an undertaking in the format enclosed will be obtained from the consumer for safeguard of the transformer sub-station.
  - (iv) The cost of the 11/0.4KV transformer sub-station be refunded after expiry of one year of release of connection through adjustment in monthly/bi-monthly bills up to the amount of the bills, till full cost of transformer S/S is refunded.

Encl.: As above

(Format of undertaking)

By Order,
