CLARIFICATION

Sub: Clarification regarding release of connections to Petrol Pumps in rural areas as circulated vide order No. Comml.JDP/470.

The circular No.JdVVNL/MD/CE(C&P)/SE(RA&C)/JU/2008-09/D.2000 dtd 06.01.09 (Comml.JDP/470) was issued for releasing connections to Petrol Pumps in Rural areas (Both Abadi & Non Abadi areas) in the non-domestic categories. Various doubts have been raised by the field officers regarding implementation in releasing connections for Petrol Pumps beyond 5KW load desiring 24 Hr. supply.

The matter has been considered and it has been decided that condition No.B(i) & (iv) of the said of the said order No.Comml.JDP/470 may be substituted by following:

(B) Petrol Pump connections beyond 5KW(24 Hr. supply)

- (i) *"The connection can be released by extending line from the nearest 24 hrs. supply 11KV feeder."*
- (iv) *"The metering may be allowed on LT side and in such cases 3% transformation losses may be added to the recorded consumption. However for such condition the concerned XEN should be competent to accord approval for the same."*

By order,
