CIRCULAR

Sub: Charging Security Deposit towards the cost of meters from Agriculture Consumer (General and Special category).

It has been reported that many field officers of (O&M) wing are not recovering the Security Deposit towards the Cost of Meters from Agriculture(General and Special Category) Consumers. This is not a correct practice.

In this context, it is clarified that under Clause-13(3) of TCOS-2004 it has been provided as under:

“The provisions of TCOS-2004 which are not covered by Part-III i.e. Agriculture policy, the same shall continue to apply to agriculture consumers also”.

At Clause-17 of TCOS-2004 it has been provided that the amount of security in respect of a meter provided by the Nigam be as per item No. 3(2) of Part-II.

It is therefore, advised that when ever Agriculture connections are released, the amount of security deposit towards the cost of Meters, should also be recovered from consumers in accordance with item No.3(2) of Part-II of TCOS-2004.
