

**JODHPUR VIDYUT VITRAN NIGAM LIMITED**

No.JdVVNL/MD/CE(HQ)/SE(RA&C)/JU/2011-12/D. 3114 Dt. 06.02.12

ORDER

Sub: Permitting the applicant for industrial connection to provide their own CT-PT Set, if the same are not available in the Nigam Stores.

On number of occasions there is scarcity of CT-PT sets with the Discoms. Though, all efforts are generally made to ensure sufficient availability of CT/PT Sets, but due to one or the other reasons we are facing scarcity of CT/PT sets. This, not only delays the release of connection but also deprives the Discom from getting revenue from sale of electricity, more so, this also leads to escalating the grievances of the prospective consumers vis-à-vis existing consumers.

To circumvent such a situation, it has been decided that in case the CTPT set of requisite ratio are not available in the Circle/ sub-division Stores then after obtaining "Non availability and no objection certificate" from SE(M&P), the applicant whose connection is lying pending for want of CT-PT sets can be advised to bring his own CT/PT set for avoiding delay in release of power connection.

However, the CT/PT sets should be as per specifications as prescribed by Discom and are of make/firm as approved by Jodhpur Discom. This CT/PT set has to be got tested by our CTL/Meter laboratory for required tests before installation.

The relaxation for the applicants to provide their own CT-PT sets shall be admissible up to March 2012. Meanwhile MM wing shall ensure sufficient and regular availability of the CT/PT sets in the Stores on a continual basis.

By order,

(D. C. BHURAT)
CHIEF ENGINEER (HQ)
JODHPUR DISCOM:JODHPUR
