**ORDER**

**Sub: Regarding release of HT-LIP connection(s) for an Induction Furnace/Arc Furnace Units.**

As per erstwhile RSEB Order No. 11722 dated 16.07.1990 the powers were delegated to accord the sanction of load for releasing of various categories of consumers to the officers on the basis of connected load/Contract Demand. Erstwhile RSEB vide order No. D. 2919 dated 04.10.1997 had prescribed to send the cases of Arc/induction furnace to Corporate office for sanction/approval of Chairman.

The matter was reviewed in the 35<sup>th</sup> Discom Co-ordination Forum meeting held on 30.03.2012 wherein to arrange early sanction it was decided that the sanction of load for releasing new connections as well as load extension / reduction in case of Induction/Arc furnace cases be accorded by the officer authorized as per Delegation of Powers issued vide order No. D. 11722 dated 16.07.90 and an undertaking on non judicial stamp paper with Rs.10/- duly notarized be obtained(format enclosed). The SCO be issued with the condition that connection would be released after providing/installation of harmonic filter devices. The M&P Wing Officer while releasing of new HT-LIP connection or allowing/releasing of load extension to Induction/Arc Furnace unit will ensure that the requisite harmonic filter has been installed & record the same in JIR.

It is enjoined upon all concerned to ensure the strict compliance.

This order is issued in supersession to all previous orders and shall come into force with immediate effect.

By order,

(D.C. BHURAT)

CHIEF ENGINEER (HQ)
