ORDER

Sub: Regarding annual review of security amount for an open access consumer.

The matter of annual review of security amount for an open access consumer was discussed in 48th DCF meeting and decided that annual review of the consumption security shall be done on the basis of Discom's unit consumption only and not on the basis of total consumption (Discom's energy + energy arranged by the consumer through sources other than Discom), because as per provision mentioned at regulation 23(3) of RERC(Terms and Conditions for open Access) Regulation,2004, security for open access consumer towards wheeling charges, surcharge & additional surcharge is recoverable separately.

By order,

Yug 11/3/13
