JODHPUR VIDYUT VITRAN NIGAM LIMITED

No.JdVVNL/MD/CE(MM)/SE(M&P-PC)/JU/2013-14/D. 1237

Dt. 19.07.13

CIRCULAR

Number of guide lines have been issued by R.E.R.C. for consumer satisfaction including the performance of meter and in compliance to the directives of the R.E.R.C., the Discom has awarded the task of third party testing of meters to M/S Yadav Measurement (P) Ltd., Udaipur, N.A.B.L. accredited Lab. To test the meters at site, in presence of consumer/consumer's representative and in order to verify the facts, following guidelines are hereby issued:

1. It is essential to replace all the meters which are shown defective by M/S Y.M.P.L. and their reports have to be delivered to respective sub division.
2. Such removed meters are to be checked at the time of removal of meters by Nigam's Engineers and necessary action be taken including filing of VCR and seizure of meter, if required.
3. Such meters will be tested in meter lab to verify the report of M/S Y.M.P.L. invariably.
4. Assessment be got prepared by competent authority and after giving notice to the consumer, be debited to consumer account and action for recovery be taken. All due efforts are made to prepare the assessment within a span of 2 years to avoid legal complicity. Further, it is suggested to get it done within a year.
5. For this purpose, Superintending Engineer(Vigilance), Jodhpur Discom, Jodhpur is hereby nominated as Nodal Officer and staff deployed under his administrative control may be utilized.

By order.
