CIRCULAR

Sub.: Guidelines for erection of GBM/RTT/RTP & putting up of Cell of Wheels (COW) & Micro-cells on Govt./PSU/ULB/ Autonomous Bodies/ Co-operative Institutions/ Panchayati Raj Institutions Land & Buildings.

Ref: Circular No.JdVVNL/MD/CE(PC-C&P)/SE(RA&C)/ JU/ 2015-16/ D. 2937 Dt. 22.03.16 (Comml.JDP/705).

In continuation to above referred order regarding Guidelines for erection of GBM/RTT/RTP & putting up of Cell of Wheels(COW) & Micro-cells on Govt./PSU/ULB/Autonomous Bodies/Co-op Institutions/ Panchayati Raj Institutions Land & Buildings, partial modifications are made as hereunder:

A meeting of the State Level Committee under Chairmanship of the Chief Secretary held on dt.30-09-2015 to accelerate Roll out of 4G Network, following guidelines were issued by PWD Govt. of Rajasthan vide letter No.F.11(2)/4-G/SE(R)/14/D.323 dated 07.10.2015 and further modification issued vide No.F.11(2)/4-G/SE(R)/14/D.357 dated 10.11.2015.

1. It has been decided to allow erection of Ground Based Mast (GBM), Roof Top Tower (RTT), Roof Top Pole (RTP) and putting up of Cell on Wheels (COW) & Micro cells on any Govt./PSU/ULB/ Autonomous Body/Co-operative Institutions/Panchayati Raj Institutions, Land and Building, wherever feasible to 3G/4G Internet/Mobile Service Providers /Telecom Service Providers/Telecom Infrastructure Providers.
2. The installation of GBM/RTT/RTP would be allowed on any such land/building provided that such installation does not violate any law & provided that prior written permission from the competent authority having legitimate right over the land/building is obtained.
3. If in future the GBM/RTT/RTP create hurdle in expansion of building, the same have to be shifted by Telecom Service Provider at their cost.
4. Cell on Wheels (COW): It is mobile cell site that consists of-a cellular antenna and electronic transceiver equipment on a truck or trailer or placed on the ground, designed to be a part of cellular network. COWs are used to provide expanded cellular network coverage and/or capacity at special events such as major events, major conventions or in disaster areas where

cellular coverage either was never present or was compromised by the disaster or to give coverage to a blank area. This is a temporary solutions & can be shifted to any other place when required. This requires a ground area of about 5 mtrs x 2.2 mtrs. & a height of about 20 mtrs. For placing a COW on a private property the applicable charges would be paid to the ULB & address notified. However, being a temporary thing, no NOC would be required.

5. Micro cells are also small cells to augment the cellular network & can be placed at any place of the building or on energy/street light poles. Their area of coverage is very small & they are usually used to give coverage inside the buildings and to fill small coverage gaps.
6. Aerial cabling through Energy/Street Light Poles is again a temporary solution for laying Optical Fiber Cable (OFC) where laying of OFC underground is not feasible due to certain reasons.
7. The application for permission for such erection/placement shall be given to the senior most officer of the department posted in the district in case of Govt. land/building and to the CEO/incharge of the -PSU/ULB/Autonomous Body/Co-operative Institutions/ Panchayati Raj institutions of the area and after joint survey done with the service provider officials about the feasibility, the same authority will issue permission for the same.
8. **Charges Payable :**
 - i) **For GBM/RTT:** One time charges equal to that payable to the ULB for the city & annual charges @ 5% of DLC of the area for the ground area covered.
 - ii) **For COW :** One time charges equal to that payable for a GBM to the ULB and annual charges @ 5% of the maximum DLC rate of the city for the ground area covered.
 - iii) **For Micro Cells :** Rs.5,000/- for a period of five years.

Telecom Service Providers/Infrastructure providers shall pay the following one time charges:

One time registration charges shall be Rs.1,00,000 per GBM for the State Capital, Rs.75,000 per GBM for Divisional Headquarters, Rs.50,000 per GBM for other Towns with population 1lakh & above and Rs.25,000 per GBM for the remaining Towns of the State.

9. When placing COW, the service provider will ensure that it does not hinder the free flow of traffic & in case of shifting will inform the concerned authorities within 15 days of doing so.

10. In case of placing COW on a private property only one time charges as mentioned at para 8(ii) would be payable to the concerned ULB.
11. Technical feasibility and Structural Stability should be taken into account by the Head of Officer before permitting installation of RTT on the office building.
12. Telecom Service Provider shall comply with all regulations and stipulations, rules issued by the Government of India from time to time.
13. Permission shall not be given to install any type of mobile towers on the buildings of Educations Institutions, Hospitals and within 500 meters radius of jails.
14. Damage caused to the buildings/assets/land, if any, shall be rectified by the Telecom Service Provider (TSP)/Telecom Infrastructure Provider(TIP) to bring back it to the original conditions before installations of the mobile tower to the satisfaction of the authority concerned. The TSP will be solely responsible for any damage/losses to the property/people due to any accident occurring due to the tower.

In this regard, it is directed that Zonal Chief Engineers are authorized to issue necessary permission to allow erection of Ground Based Mast (GBM), Roof Top Tower (RTT), Roof Top Pole (RTP) and putting up of cell on wheels (COW) & Micro cells on the Land & Buildings pertaining to Jodhpur Discom on fulfilling the conditions as detailed above.

They will ensure that such permission for installation of GBM/RTT/RTP/COW & Micro Cells on the land & buildings pertaining to Jodhpur Discom is not affecting in any way the free flow of main/material in the premises & future extension plan of sub-station/building, if any. Also they will ensure all safety measures including safe clearance of such structures from our HT/LT lines.

It is enjoined upon all the concerned to ensure compliance accordingly with immediate effect.

By Order,

(ASHOK MATHUR)
