ORDER

Sub: Guidelines for dealing/treating the cases in which the LT Supply Consumers exceed their Contract Demand above 50 KVA for more than twice in a Financial Year.

Guidelines for dealing/treating the cases in which the LT Supply consumers exceed their Contract Demand above 50 KVA for more than twice in a financial year was prescribed vide Comml.JDP/479 dated 02/02/2009. It was prescribed that whenever the maximum demand of a consumer is caused above 50 KVA three times in the same financial year, a notice of two months is to be issued by the concerned Assistant Engineer. Till consumer stipulates his contract demand it would be computed from the highest of the maximum demand recorded during the said three months or from the sanctioned connected load, whichever is higher.

It has been noted that due notice to consumer for switching over from LT supply to HT supply with stipulating of contract demand is not being given, due to which consumers are not being billed under correct tariff and Nigam has to suffer financial loss besides consumer's resentment for heavy charges levied at subsequent stage.

As such, all the concerns are once again directed to strictly adhere to the guidelines as prescribed vide order Comml.JDP/479 dated 02/02/2009 failing which action will be taken against the defaulting officers.

By Order,

(U.S.COCHAN)
