

No.JdVVNL/MD/CE(HQ)/SE(RA&C)/JU/2017-18/D. 54 Dt. 12.04.17

**ORDER**

**Sub.: Regarding approval of metering on LT side.**

Vide order Comml.JDP/566 dtd 23.03.12, it has been prescribed that for 24hrs supply in non-abadi area, the cost of 11KV line and cost of 11/0.4KV sub-station will be borne by the consumer. The metering should be done on 11KV. In exceptional cases, metering on LT side with 03% transformation losses may be allowed with the approval of Hon'ble Managing Director.

The matter has been discussed and the approval is hereby conveyed to vest the powers, to sanction the connection on LT side metering with 3% transformation losses, to the concerned O&M Superintending Engineers on individual merits of the case.

By Order,

*(Signature)*  
 (M. R. MEENA)
