**ORDER**

**Sub.: Utilization of HT & MIP Boxes in the field.**

It has been observed that while releasing HT or MIP connections, field officers are insisting the applicant/consumers to purchase HT/MIP boxed from the market even the same, i.e. HT & MIP boxes, are available in various stores of the Nigam.

All the concerned are therefore directed that for release of such connections, HT/MIP meter boxes if available in the store be utilized first and if are not available in Nigam's store then only after obtaining NAC from the concerned Circle store, applicant/consumer be asked to purchase the HT/MIP meter boxes confirming to Nigam's specification.

By Order,
