O R D E R

Facility of charging subsidized transformer rent and not charging of transformation losses was provided to those old MIP consumers having connected load above 60 HP and released before 07-08-90 and who have not installed their own distribution transformer. The matter was discussed in the 38th Co-ordination Committee Meeting held on 04-03-2002 wherein it has been decided that the old MIP consumers (whose connection released before 07-08-90) or Amount of D.N. deposited before 07-08-90 having connected load over 60 HP and contract demand more than 50 KVA should install their own distribution transformer immediately and in case of failure to do so, than the transformer rent as well as transformation losses be charged as per the latest rates prescribed for other new consumer of the same category.

To implement the above directions, all the field officers are hereby directed to issue a notice immediately to such consumers for installing their own distribution transformer for taking connection on HT immediately. In the event of failure of installing the transformer by the prescribed notice period, rationalised transformer rent as prescribed vide Commercial Order No. JdVVNL/CMD/SE (Comml)/S.CI/2001-2002/F../D.1561 dated 13-11-2001 (Comml. JDP-75) as well as 3% transformation losses shall be charged from the billing month of October, 2002.

By Order,

(A.M. LODHA)
