Sub: Applicability of tariff on "Old Peoples' Homes like "Mother Terrasa Home" etc.

In accordance with the provisions of Tariff-2001, the places where use of electricity is for bonafide domestic purpose, the Domestic Service (Schedule DS/LT-1) is applicable. Doubts have been raised by some of the field officers as to which tariff schedule is applicable for "Old Peoples' Homes" like "Mother Terrasa Homes " and other similar installations/establishments.

In this connection, it is clarified that such establishments where electricity is used for bonafide domestic purpose, should also be covered under Domestic Service (Schedule D/LT-1).

It is, therefore, enjoined upon all the concerned that henceforth, only domestic tariff should be applied on "Old Peoples' Homes" like "Mother Terrasa Homes" etc. In cases where some other tariff schedule is being applied, the same may be prospectively changed to Domestic Service (Schedule DS/LT-1) immediately.
