Sub: Refund of balance amount of security deposit.

During the meeting of Advisory Committee of R.E.R.C. held on 17-05-2002, issue of refund of security deposit was discussed. It was decided that whenever the connection of the consumer is permanently disconnected and when he applies for refund of amount of security deposit, the same should be processed by Assistant Engineer concerned immediately, so that the refund of the amount of security deposit is made to the consumer within a period of three months positively. It is, however, reiterated that no interest shall be paid on the amount of security deposit. Furthermore, it should also be ensured that outstanding dues of consumer have been liquidated either through payments or by adjustment of security.
