ORDER

**Sub: Levy of transformer rent as well as transformation
Losses from the consumers having sanctioned
Connected load above 60 HP and Contract Demand
More than 50 KVA with supply on LT and to whom
Connections were released prior to 07-08-90.**

In accordance with the existing provisions, the consumers under MIP Category having Connected Load over 60 HP and Contract Demand more than 50 KVA are required to pay transformer rent as per Comml.JDP-122 in case Nigam's transformer is taken on rent in addition to transformation losses @ 3% per month on the recorded units irrespective of connection released before 07-08-90 or amount of Demand Notice deposited before 07-08-90.

The matter has been discussed in 49th Meeting of the Coordination Committee held on 30-11-2002 wherein it was decided that from the consumer under MIP Category whose connections were released or amount of Demand Notice deposited prior to 07-08-90 and causing maximum demand more than 50 KVA having sanctioned connected load, upto 150 HP with metering on LT side, shall continue to pay the transformer rent in accordance with Order No.Comml.428 dt.23-02-1999 issued by erstwhile R.S.E.B. Such consumers, however, shall also be required to pay the transformation losses @ 3% per month chargeable on the basis of recorded units.

Above instructions are issued in partial modification to Nigam's Order No.Comml.JDP-122 dt.25-05-2002 and shall be effective from the billing month October-2002.
