**Sub: Accepting payment of outstanding amounts of
Consumer residing in Border Area in ten equal
Monthly installments.**

Due to unavoidable circumstances the inhabitants of border villages along the Indo-Pak Border were temporarily shifted to other places and were therefore unable to deposit their monthly energy bills raised by Jodhpur Discom. A relief was allowed in such border villages as identified/certified by the District Collector by the Jodhpur Discom vide Comml.JDP-98, and the consumers were exempted from levy of LPS and no disconnection was to be made till they are permitted to shift back to their original places, though regular energy bills were raised.

From Dec., 2002 residents of effected villages have started to come back to their original places and such domestic and agriculture consumers have demanded to pay their accumulated energy bills in ten equal monthly installments without levy of other burden due to their financial condition.

The Board of Directors of Jodhpur Discom discussed the above matter in its 34th Meeting held on 10-02-2003 and decided to accept the payment of energy bills in ten monthly equal installments without levy of LPS/Interest in respect of those villagers/consumers residing in Border Villages as identified/certified by the District Collector and who apply for the same.
