**JODHPUR VIDYUT VITRAN NIGAM LIMITED
(DEPTT.OF COMMERCIAL OPERATIONS)**

NO.JdVVNL/CE(HQ)/SE(Comml)S.CI/JU2k3-04 D. 175 dt. 2.5.03

ORDER

**Sub: To permit private Housing Societies/ Developers
to lay Electrical Infrastructure themselves in
the colonies developed by them.**

For laying of electrical infrastructure in colony developed by RHB/UTTs/Municipalities, procedure has been prescribed vide erstwhile R.S.E.B. Order No. 521 dt.02-03-95 (Comml.-36), & No.1985 dt.01-02-02 (COMML/JDP/ 97) issued by Jodhpur Discom. Various private Housing Societies/ Developers approached and requested to allow them to lay electrical infrastructure themselves in the colonies developed by them at par with the provisions made for such works in case of RHB/UTTs/Municipalities.

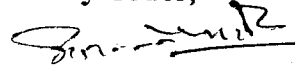

The matter was discussed in the Coordination Committee Meeting held on 07-04-03 and it was decided to extend the facilities allowed to RHB/UIT/Municipalities etc. to colonies developed by private Housing Societies/Developers. In this respect, the following guidelines are issued:

1. All such Private Housing Societies/Developers will furnish the scheme for electrification of their respective colonies to the concerned Sub Divisional Officers of Jodhpur Discom. The Circle Superintending Engineers are authorised to accord approval to such schemes including requirement of No. of distribution transformer sub stations and 33/11KV Power Transformer sub station with capacity and nominate XEN/AEN/JEN of Jodhpur Discom for individual works for ensuring strict quality control of material and workmanship.
2. The estimate shall be prepared by Private Housing Societies/Developers and will be got technically sanctioned by Circle Superintending Engineers. Supervision Charges @ 15% will be deposited by them before start of the work as is being done in case of RHB/UTTs/Municipalities/ Corporation.
3. For the distribution and the power transformers to be used, cost (at the prevailing "Standard Store Issue Rates" issued by Jodhpur Discom) will be got deposited by Private Housing Societies/Developers with Jodhpur Discom and these transformers will be installed by Jodhpur Discom. In such cases 35% charges over and above the Store Issue Rate(s) shall be recoverable from the concerned agency.
4. Infrastructure providers will ensure to use quality material and in lieu of that they will get complete Test Reports of the material/equipment provided and the source of procurement of material to the concerned Sub Divisional Officers so that the assurance regarding use of quality material is established. They will take supplies from established suppliers who are already

supplying or have supplied in the past or supplying to the erstwhile R.S.E.B./Successors Companies.

5. Private Housing Societies/Developers will have to arrange clearance from the Electrical Inspectorate at their own level for charging of the lines etc. Such works shall be handed over to Jodhpur Discom before charging of the lines and joining with the electrical system of Jodhpur Discom.
6. After completion of the work of electrification, a Joint Inspection Certificate shall be prepared by the authorised representative of such agencies and the Executive Engineer/Asstt. Engineer concerned of Jodhpur Discom. The Joint Inspection Certificate will certify that electrification works have been completed as per norms of Jodhpur Discom. Thereafter, the complete electrification system shall be handed over to Jodhpur Discom by the said agencies for releasing connections to the individual applicant/allottees and for maintenance of the lines and the transformer sub-stations.

By Order,

(R.S. CHAUDHARI)
CHIEF ENGINEER(HQ)
JODHPUR DISCOM:JODHPUR
