**ORDER**

**Sub: Laying of separate feeder for Industrial & Non-domestic connections situated in Rural Area(s) for connecting them from continuous supply feeders.**

It was prescribed vide Order No.Comml-499 Dt.22-05-2000, that any Industrial & Non-domestic consumers situated in Rural Area(s) if wants to have direct feeder from urban area supply for getting continuous power supply, the same could be allowed if the consumer pays 50% of the cost of estimate for laying the direct feeder. The balance 50% shall be borne by erstwhile Board ( now Jodhpur Discom).

This matter was reviewed by the coordination committee in its 59th meeting held on 05th July, 2003 and it has been decided henceforth that industrial & non-domestic consumers having HT supply voltage situated in rural areas, can be given supply through continuous supply feeders provided the full cost of estimate of line to be drawn in this regard is borne by the consumer. Accordingly facility provided by Order No.Comml.499 would stand withdrawn from immediate effect.
