Sub: Clearance of outstanding dues from State  
Government Departments/State Government  
Undertakings.  
-----

The matter of huge outstanding dues against power connections to Public Health and Engineering Department was discussed in the Senior Officers Meeting of Jodhpur Discom held on 02nd March, 2001 jointly with the Chief Engineer, P.H.E.D., Jodhpur.

In order to liquidate such dues, it was decided to give some incentives to them by way of not charging LPS/DPS, if any State Government Departments/State Government Undertakings deposits the principal amount of outstanding dues by 31st March, 2001.

Such provisions can also be applicable for local bodies etc. such as Municipal Corporations / Municipal Boards/ Municipalities and water supply connections released under TSS Scheme in the name of Sarpanch.

It is, enjoined upon all concerned field officers to implement the above decision with immediate effect and wide publicity of the aforesaid relaxation may also be made by field officers by contacting/intimating concerned organisation.

It is also to clarify that billing authorities would be the competent authority to accord for waiver of LPS/DPS on receipt of the principal amount of outstanding dues upto 31st March, 2001 in all such cases.

By Order,

(O.P. SOBTI)
