

JODHPUR VIDYUT VITRAN NIGAM LIMITED

NO.JdVVNL/MD/CE(CPM)/SE(Comml)/CI/JU/2k40-05

D. 403 dt. 17-6-04

ORDER**Sub: Levy of power factor surcharge & allowing incentive in light of "Power Factor Clause" of Tariff For Supply of Electricity-2001.**

It was prescribed vide Order No.JdVVNL/MD/CE(CPM) /SE(Comml.) /JU/ S.CI/F.OO/D.101 dated 20-04-2004 (Comml.JDP/208) that while calculating the average power factor, value computed upto two digits only after decimal, need be taken and the third digit after decimal is to be ignored.

On representation from various Industrial Associations and Industrial consumers, the matter was again considered by the Coordination Committee in its 70th Meeting held on 29-05-2004 & decided that the procedure prescribed vide order No. JdVVNL. /MD/CE(CPM)/SE(Comml.)/JU/S.CI/F.OO/ D.101 dated 20-04-2004 (Comml.JDP/208) is to be discontinued & instead a uniform procedure of rounding off the third digit shall be followed. Accordingly, if the 3rd digit is 5 & above then the next higher stage of power factor is to be taken and if the 3rd digit is less than 5 then lower stage of power factor is to be taken.

As an illustration, if the power factor is computed as 0.955, it should be rounded off to two places of decimal and taken as 0.96. However, if it is 0.954, the same should be taken as 0.95. Similarly, if the average power factor is 0.836 it should be rounded off to 0.84 whereas if it is 0.834, it should be taken as 0.83.

The Order No.Comml.JDP/208 dated 20-04-2004 shall stand withdrawn. The bills issued as per Order No.Comml.JDP/208 dated 20-04-2004 be revised in accordance with this order.

(R.S. CHAUDHARY) 6-04
