ORDER

**Sub: Recovery of cost in case of burnt meter/
reconnection etc.**

Jodhpur Discom vide Order No.Comml./JDP/216 dated 21-05-2004 has revised the cost of meter box and security against the cost of meter. After issue of aforesaid order, a number of field officers have raised queries for recovery of cost in case of burnt meter/reconnection.

The matter has been examined and the following clarifications are issued :

- 1) In case of burnt meter, the amount of security available with the Nigam shall be deemed to have been adjusted against the cost of burnt meter and therefore, for new meter, the security of meter at revised rates is recoverable.
- 2) In case of reconnection, if the security against the cost of meter has not been adjusted against the dues, the same security would continue. In case however, the amount of meter security has been adjusted against outstanding dues of the consumer, fresh meter security is required to be recovered on the basis of revised rates allowed vide No. Comml.JDP/216.
- 3) The cost of meter allowed vide No.Comml./JDP/216 is recoverable from the consumers without levying extra overhead charges.
