of sick industries.**

Due to continuous recession in the industrial sector in the State a number of industrial units have become sick or closed. Due to closure of such industries their connections have also been disconnected by the Discoms due to non payment of energy bills. Presently such disconnected consumers are required to be revived in the wider interest of the State, consumers and Discoms.

In pursuance of the announcement in the Budget Speech for 2004-05 if the industrial unit is revived by the entrepreneur himself, following concessions are hereby allowed for disconnected industrial consumers falling under the definition of sick industries for facilitating their revival and restoration of connection.

1. The outstanding dues as on date of requisition for revival shall be allowed to be paid in six half yearly installments and first half yearly installment to be paid before reconnection.
2. On the outstanding dues as per Para-1, no penalty and interest shall be levied.
3. The minimum charges for the closure period if any, prior to the date of requisition of revival and during the period of sickness shall be waived. The closure period shall be verified by the Financial Institution /Industries Department as the case may be.

List of sick industries indicating the period of sickness/closure in this regard shall be provided by the Industries Department.

Such consumers shall be required to pay normal security as per rules besides ensuring payment of regular energy bills.

Such concessions shall not be allowed to consumers having pending court cases for their dues/or security in any court of Law, Consumer Forum/Commission/MRTP etc. unless withdrawn.

Strict adherence of schedule of payment should be made by industries. In case of default in payments as per concession package allowed aforesaid, the connection shall be disconnected forthwith and facility of concessions allowed shall be withdrawn and consumer will be liable to pay the dues in normal course. In deserving cases, however, concerned Z.C.E.(O&M) would have discretion to grant a grace period of 15 days.
