**Sub: Concession package to be allowed for revival of
Sick Industries-clarification thereof.**

The concession package for revival of sick industries has been issued vide Discom's Order No.Comml./JDP/230 dt. 09-08-2004 and No.Comml./JDP/237 dt.21-09-2004 on the subject. It has been prescribed under concession No.1 in the Order No.Comml./JDP/237 that outstanding dues, excluding the interest, penal interest, late payment surcharge and delayed payment surcharges as on the date of request for revival, shall be allowed to be paid in six half yearly installments and the first half yearly installments shall be paid before reconnection, wherever applicable. A doubt has been raised as to whether the amount prescribed to be excluded from the outstanding dues on the date of request for revival i.e. interest, penal interest, late payment surcharge and delayed payment surcharges is required to be waived or not ?

In this connection, it is to state that it has been clearly mentioned in the last para of the Order Comml./JDP/230 that in case of default in payment as per the concessional package allowed, the connection shall be disconnected forthwith and the facility of concession allowed shall be withdrawn and such consumer will be liable to pay the dues in normal course. This means that the defaulting consumer is required to pay the total dues including those which were excluded at the time of request for revival in case of failure of the concession package. Consequently, the amount excluded namely interest, penal interest, LPS and DPS from the outstanding dues on the date of request for revival of the industry can not be waived till successful completion of the concessional package. After the concessional package is completed, the amount excluded as on date of request of revival would be waived and till that time the same is not required to be waived, but kept intact in books.
