

JODHPUR VIDYUT VITRAN NIGAM LIMITED
(DEPTT.OF COMMERCIAL OPERATIONS)

No.JdVVNL/CE(CPM)/SE(Comml.)/S.CI/2004/D. 1952

Dt. 17/12/04

ORDER

**Sub.: Laying of separate feeder for Industrial and Non-domestic
Connections situated in Rural Areas for connecting them
from continuous supply feeder.**

It has been prescribed vide Nigam's Order No.828 dtd.19-07-03 (Comml.-JDP/170) that any Industrial and Non Domestic consumers for HT supply voltage situated in rural areas can be given supply through continuous supply feeder provided full cost of the estimate of the line to be drawn in this regard is borne by the consumer. Similarly in the matter of extension of the line beyond RIICO Industrial area for release of connection outside RIICO's Industrial area, it was prescribed in TCOS-2004 at item No.8(17) that proposed industrial/non domestic loads existing in the rural areas outside the limits of RIICO's industrial area, the extension in existing 11KV line of the industrial area can be made upto the limits of 1 KM from periphery of industrial area. For distance beyond 1 KM, further direct 11KV feeder was prescribed to be drawn for connections, beyond 1 KM and the supply was to be released on 11 KV with metering on 11 KV side irrespective of the load of the applicant.

It has been reported that difficulties are being experienced in release of connections to such applicants situated in rural areas due to non availability of smaller rating of 11KV CT PT sets of appropriate rating with Nigam. In order to circumvent this problem, it has been decided that in case of appropriate smaller rating 11KV CT PT sets, are not available, the consumer be asked to provide the same and this condition should clearly mentioned in the demand notice to be issued to the applicant. The CT PT sets to be provided by the applicant would, however, be of standard make & required to be tested in the Meter Testing Lab of the Nigam and found in order prior to installation for release of connection.

The above instructions should be strictly followed by all concerned.

By order,

 (H.S. DEORA)
 CHIEF ENGINEER(CPM)
