Dt. 7/1/2005

ORDER

**Sub.: Clarification with regard to release of domestic
Connections in Urban areas.**

There is some doubt with regard to amount to be deposited by the applicant for release of domestic connections in urban area. In order to allay all doubts, following clarifications are issued :

Developed colonies in Urban areas:

In such areas the amount to be deposited as expenses for providing electric line/plant is Rs.2000 per connection. For example, in Jodhpur City the developed colonies would Sardarpura, Shastri Nagar etc.

Un-developed colonies in Urban areas:

In such areas the consumer is required to deposit Rs.5,000/- towards expenses for providing lines/plant. If the extension of LT distribution main and or service line is beyond 300 mtr., the applicant is also required to deposit Rs.100 per meter and Rs.150 per meter of the extension if the line is single phase LT or three phase LT respectively. The undeveloped colonies would be the colonies being developed by societies in which the extension of distribution main required for release of connection.

Colonies developed by Local Bodies/Railways/defence Private Housing Societies/developer.

In such colonies if the service line has been provided up to the installation by the developing agency then 15% of the expenses as provided in the Item-2 of Part II of "Terms and Conditions for Supply of Electricity-2004" are to be recovered. In case the service line is provided by the Nigam the charges would be 25% of the expenses prescribed. It is, however, to clarify that the 15% or 25% of the expenses are to be considered for the charges applicable for undeveloped colonies i.e. Rs.5000/- per connection.

For Kacchi Basties

For Kacchi Basties, applicants are required to deposit a sum of Rs.2000/- towards providing of electric line/providing for extension of distribution mains and or service line.

By order,

(H.S. DEORA)
