

JODHPUR VIDYUT VITRAN NIGAM LIMITED
(DEPTT.OF COMMERCIAL OPERATIONS)

No.JdVVNL/CE(CPM)/SE(Comml.)/S.CI/2004-05/D. 2081

Dt. 15/11/2005

ORDER

Sub.: Applicability of the provisions of Clause-47 (2) of the "Terms & Conditions for Supply of Electricity, 2004" (TCOS-2004).

In accordance with the provisions of the Clause - 47 (2) "Reconnection of disconnected supply" of the "Terms & Conditions for Supply of Electricity, 2004", the reconnection of disconnected supply is governed as under:-

"A person whose supply has been cut off for non-payment of dues of the Nigam may apply for restoration of supply to the Nigam. An application for restoration of supply shall be considered if made within;

- (a) two years in case of agriculture consumer,
- (b) one year in case of industrial consumer, and
- (c) six months in case of other consumers.

of the date of disconnection. A person applying after this period, shall be treated as a new applicant and shall be required to complete formalities as are required for new connection."

Provisions under TCOS-2004 have come into effect from 13.08.2004. Prior to this, provisions of "General Conditions of Supply" of the erstwhile RSEB were applicable alongwith administrative orders issued by erstwhile RSEB and the Nigam in the matter. In the interest of the realisation of the outstanding dues, for reconnection of disconnected connections, no time limit (except agriculture category) restricting restoration of connection was prescribed. This facility, however, was extended based on technical feasibility of connection in question.

A number of consumers have represented that the provisions under new Clause-47 (2) of the TCOS-2004 may not be applied for the connections lying disconnected prior to 13.08.2004, as the new provisions should not be applied abruptly and suddenly.

The matter was put up before the Coordination Committee for considerations in its 78th meeting held on 07.12.2004 wherein following decisions were taken:-

- (i) Provisions of Clause-47 sub-clause (2) of Terms and Conditions of supply, 2004 be made applicable only for those consumers who have been disconnected on or after 13.08.2004.
- (ii) Connections disconnected prior to 13.08.2004 in respect of all categories (except agriculture category connections which is governed by the Agriculture Policy) be allowed to be reconnected as hitherto if application for restoration of connection is made upto 12.08.2005.

By order,

(H.S. DEORA)
