Sub: Releasing of domestic connections in  
rural areas.

\*\*\*\*\*

Under the provisions of erstwhile RSEB Order No.RSEB/PS/CH/DCO/C.1/2625 dt.12-09-1999(CO-22), connections in rural areas under domestic category were being released without installing any meter. As this order is not in line with the directions of RERC retail tariff Order dt.24-03-2001, wherein as per policy in future no connections are to be released without installing meter. It is, hereby ordered that henceforth no connection without installing meter as per above circular is to be released i.e. meters are to be installed invariably while releasing each and every connection.

However, preference should be given for installation of meters where such connections in rural areas are running without meter.
