ORDER

**Sub: Conversion of Flat Rate consumers into Metered Supply
Consumers under agriculture category.**

The Rajasthan Regulatory Commission while issuing the Tariff order dt.17-12-2004 has observed that the Discom has failed to achieve targets fixed by the Commission for conversion of Flat Rate consumers into the Metered Supply consumers under agriculture category. The Commission had also observed that the Discom should strive hard and achieve the target fixed by the Commission in this regard.

In this connection, it is to mention that Hon'ble Commission has ordered for conversion of all the flat rate connections into metered category by the end of 2004-05 and as per I.E. Act, 2003 such work is also to be completed by June, 2005.

It is, therefore, enjoined upon all the field officers that with a view to adhere to the targets fixed by the Commission, the pace of the work of said conversion must be accelerated so as to achieve the target in full.

By order,
