JODHPUR VIDYUT VITRAN NIGAM LIMITED
(DEPTT.OF COMMERCIAL OPERATIONS)

No.JdVVNL/CE(CPM)/SE(Comml.)/JU/2005-06/D. 505

Dt. 24/6/05

ORDER

**Sub: Removing meter and service lines after two months
from the date of disconnection-Clause 46 (9) of
TCOS-2004.**

It has been observed that in many cases the compliance of the Clause 46(9) of TCOS-2004 is not being made by the field officers even after a lapse of months/year(s) since date of disconnection. This leads to chances of theft of electricity by such disconnected consumers. Instructions were also issued earlier on the subject vide Circular No.D.1558 dt.24-01-2001 (Comml.JDP/78). The matter has been reviewed and it has been decided that AEN(O&M) will ensure that meter and service line are removed positively after two months from the date of disconnection and a certificate shall be sent to Superintending Engineer at the end of each month by him "that the work of removing meter and service line of the disconnected connections has been completed and no such work is pending beyond two months".

Circle officers will in turn furnish consolidated report to the Chief Engineer/Zonal Chief Engineer (O&M) to monitor the progress in the matter.

These instructions are to be adhered strictly and any non-compliance shall be viewed seriously.

By order
