No.JdVVNL/CE(CPM)/SE(RA-Comml.)/JU/2005-06/D. 1053

Dt. 23/9/05

**ORDER**

**Sub: Amendment in sub clause 16(F) of Terms & Conditions of Supply-2004.**

As per provisions of Clause 16 (F) of T.C.O.S-2004, the excess amount of security is required to be refunded to the consumer by adjustment through bills during the period July 1 to September 30 of the following year. But difficulty is being faced when due to reduction in connected load/contract demand, the adjustable amount of excess security becomes much more than the total amount of energy bills from July to September. In such cases, adjustment of excess security as per provisions of TCOS-2004 would not be possible.

The matter was referred to the R.E.R.C. for suitable amendments in TCOS-2004 and as clarified by the RERC vide letter No. RERC / Secy/ JS(T) /F.289 D.708 dt.20-08-05, accordingly following provision is added after existing sub clause 16(F) of the existing Terms and Conditions for Supply of Electricity as under :

" In case such excess amount of security to be adjusted, is not adjusted in the electricity bills of the consumer pertaining to the period July 1 to September 30 of the following year, the balance amount shall be refunded to the consumer in cash within one month i.e. October 31".
