O R D E R

It has been directed previously that in the theft cases which are made out by the Vigilance Wing, the Settlement Committee should invariably call the concerned Checking Officer who made out the case to attend the meeting - Provided he is posted at the Headquarter of the Settlement Committee. However, if the dispute involved is more than Rs.20,000.00, the concerned Checking Officer should be called if he has been transferred to some other place.

After unbundling of erstwhile R.S.E.B. due to weekly checking programmes given to all vigilance checking officers with the suo moto of mass and effective checking, it is very difficult for the concerned Vigilance Officer who made out the case to attend the Settlement Meetings while their outstation programmes.

To overcome the above problem, it is directed that in case of non-availability of concerned Vigilance Officer at the Settlement Committee Headquarter due to his outstation programme, the officer out of the Vigilance officers available at the Headquarter (Not below the rank of Assistant Engineer) shall be nominated by the concerned Controller of Vigilance as notified vide Order No. Jodhpur Discom: C&MD: JU: S. Comml.: F.: 00: D. 99 dt. 28-04-2001, to attend the meeting of Settlement Committee on behalf of Vigilance Officer who made out the case.

The said Order shall come into force with immediate effect.
