No.JdVVNL/MD/SE(RA&C)/JU/2006-07/D. 1423

Dt. 16/9/06

ORDER

Sub: Release of NDS category connections to various Organizations/Commercial Entities requiring Bulk connections at various locations in the area of Jodhpur Discom.

It has been observed that there are lot of delays in release of NDS connections to the Commercial Entities/Organizations requiring Bulk connections at various locations in the area of Jodhpur Discom. Because of these delays, the Nigam suffers loss of revenue. It has, therefore, been decided that parties opting such connections be released on the basis of following procedure:-

1. The Commercial Entity desiring the connections may deposit an interest free advance with the Discom (to be mutually decided by the Nigam & Commercial Entity).
2. The Commercial Entity shall deposit the application form alongwith the prescribed application fee in the office of concerned Assistant Engineer as usual and the demand notice shall also be issued as per priority. However, the demand notice shall be considered as deposited on the same day and date of issue of Demand notice shall be considered as date of deposit of Demand notice in such cases. Further action for release of connection should be taken accordingly.

3. To avoid delay, erection of lines should be started as soon as application is received, by preparation of estimate & issuing of necessary work order. However, the actual connection shall be released after making compliance of para (4).
4. The Commercial Entity shall be under obligation to deposit the amount of individual demand notices before installation of meter and final release of connection.
5. Installation of Transformer if required in such connection shall be done alongwith installation of meter.
6. The Consolidated information of release of such connections shall be regularly sent by the Assistant Engineer to the Superintending Engineer (RA&C) at the Nigam office.

By order,

N.M. Singhvi
16/9/06

(N.M. SINGHVI)
SUPERINTENDING ENGINEER(RA&C)
JODHPUR DISCOM:JODHPUR
