No.JdVVNL/MD/SE(RA&C)/JU/F.2k6-7/D.154D Dtd.:27-09-2006

ORDER

Sub : Reconnection of disconnected Agriculture Consumers
in Barmer, Jalore, Pali & Jodhpur District Circle.

In view of the Water Level having improved consequent to Floods in the month of August, 2006, a large number of Agriculture Disconnected Consumers might be applying for reconnection. In order to curtail delays and to simplify the procedure of reconnection, following instructions are hereby issued :

1. The charges for reconnection shall be as per the orders of Regulatory Commission (Annexure-A).
2. The period for which reconnection is permitted, shall also be as per direction of Regulatory Commission(Annexure-B).
3. The reconnection can be done from the nearest LT Main or by erection of LT Line, as the case may be without insisting for installation of a new Transformer and limitation of LT Line as prescribed in the Agriculture Policy. Transformer capacity, however, shall be ascertained and if needed the Transformer capacity may be augmented.
4. All the reconnections shall be done in Flat Rate Agriculture Category and the bills shall be issued in Flat Rate Category.
5. If the Metered Transformers are available in sufficient quantity, all such connections shall be converted in Metered Category and provisions of Agriculture Policy regarding not more than two connections from one Transformer and limitation of LT Line, may be applied at the later stage.
6. In such cases where reconnection is not possible through LT Line Extension or service line, the reconnection may be done by extension of 11 KV Line and installation of Metered Distribution Transformer. Such connections shall be in the Metered Category and not in Flat Rate Category.

Encl.:As above.
