

**JODHPUR VIDYUT VITARAN NIGAM LIMITED**

No.JdVVNL/C&MD/CE(CPM)/SE(RA&C)/JU/2007-08/D. 118 Dt. 20.4.07

ORDER**Sub: Procedure for release of NDS connections in Permanent Wedding Houses.**

It has been reported that the number of cases of pilferage of electricity by such consumers have increased. To curb the tendency of pilferage of electricity by such consumers, the following decisions have been taken to be implemented on priority :

For LT Connections covered under Non Domestic Service (Schedule NDS/LT-2) :

- (1) For releasing connections to permanent Wedding Houses, independent distribution transformer with welded meter box should be provided for individual connection.
- (2) The cost of the Sub-station is to be borne by the Nigam.
- (3) 60 Amp./80 Amp. Whole current meters are to be installed in the welded meter box on the distribution transformer for metering the consumption of such connections having sanctioned connected load upto 18.65 KW.
- (4) For Wedding Houses where sanctioned connected load is more than 18.75 KW or even if the maximum demand is above 50 KVA , such connections are to be released by installing independent super distribution transformer with CT Metering.
- (5) The metering be provided on LT side and the billing be done on actual consumption basis @ 1.4 times of fixed & energy charges both for permanent connection under NDS category

For HT Connections covered under Non Domestic Service (Schedule NDS/HT-2) :

- (1) Such connections are to be metered on 11 KV Side.
- (2) If the transformer is provided by Jodhpur Discom, the consumer would be required to pay transformer rent to the Nigam as prescribed under Part-II of TCOS-04.
- (3) The billing be done as per Tariff Schedule NDS/HT-2.

For existing connections of Wedding Houses if some other connections have been released through the same transformer, such connections be arranged to be shifted to some other transformer or new transformer can also be provided for such connections. In any case, independent distribution transformer shall be installed for Wedding House.

By Order,

(A.M.LODHA)

CHIEF ENGINEER(CPM)
